Other good options would be Midtown (14th to 59th) or Morningside Heights (110th to 125th). The best options will be somewhat close to a **1, 2, 3, B, or C** subway line.

Check In, Lunch, & Check Out

Check In at Steps

Dancers should not arrive at Steps earlier than 9:00am.

When arriving at Steps on Broadway, students will take the elevator or stairs to the 4th floor and walk to the very end of the hallway where they will gather in **Loft 3**. Students must sign in each morning.

On the **first day** of each session, we will hold an orientation at **9:15am**. Parents are invited to attend the orientation but they are not required. The orientation will cover expectations for the week, answer frequently asked questions, and explain the layout of the building. Please arrive on time and dressed for class before the orientation begins.

Lunch

Students have two options for lunch. They may either bring a packed lunch and eat in the studios or parents/guardians may fill out the permission form below to allow their student to leave the building to get lunch. Please note: we are unable to refrigerate or reheat any food or drinks.

Permission to Leave the Building Form

Please fill out this form (<https://forms.gle/cRik23BQCr1CFxC26>) to allow your dancer to leave the building for lunch, breaks, and/or the end of day check out. **If we do not have this form signed, students will not be able to leave the 4th floor without a parent or guardian.**

Check Out - End of Day

Parents/guardians must come to the 4th floor and personally check out their dancers unless they have filled out the permission form to allow their dancer to leave the building on their own.

The schedule of classes each session may vary. You will receive an email the week before your session begins with a confirmed schedule.

The Single-Week Experience will mimic the second schedule below.
