Summer is winding down. Rehearsals are starting up again. Soon you'll make a wardrobe transition to reflect the cooler weather. Part of the fun of seasons changing is the chance to embrace a new color scheme every few months. Here we've borrowed inspiration from fall foliage. Don't you feel warmer wearing deep shades of red, orange, and brown? You can also try combining dark colors. Black looks lovely with burgundy or forest green. Throw a couple of warm-ups in your dance bag for those sporadic chilly nights and you're good to go.
